

Graduate Studio Award Scheme

Lewisham Art House is an artist cooperative of 20 years. Based in a Grade II listed building, the organisation provides access to artist studios, workshops, exhibitions and learning. We strive to build upon our organisation's proud history of supporting artists, their audiences and wider communities, fostering diversity and an ongoing commitment to capacity building.

Continuing our commitment to support emerging talent, we announce the 7th round of our Graduate Studio Award Scheme.

We are inviting recent London-based fine or applied arts graduates to apply. The award offers a free 200 sq ft studio for 8 months (commencing 22nd May 2016), culminating with a project/exhibition in our Project Space. The successful applicant is encouraged to participate in our lively artistic community.

Graduate Studio Award 07
