

PROJECT SPACE AT LEWISHAM ART HOUSE

Lewisham Art House Limited is an artists-run studio co-operative located, since 1994, in a listed Carnegie building at 140 Lewisham Way, New Cross. We are just down the road from Goldsmiths College and Deptford; a thriving area for artistic activity with APT, Bearspace, SE8 and Enclave Projects all in the locality.

The Project Space offers a fantastic opportunity for artists, and curators to realise experimental works, and contribute to an engaging and ambitious programme. Our hire fee to use the Project Space is amongst the most affordable in London. Please see our terms and conditions for full details. If you are a curator, artist or someone with an idea, please get in touch.

The Project Space has a wall perimeter of 106 feet and good lighting. It is located on the main road next to a well-served bus stop (21, 36, 136 and 321) and is 5 minutes walk from New Cross Station, which has good rail and tube links to East and Central London.

Exhibitions are normally 2 or 4 week duration, longer or shorter periods can be negotiated. Applicants are subject to a selection process, by submission of exhibition/event proposal including images of work.

For further information please read our terms and conditions downloadable from our website. Please send a filled in application form (below) with your proposal.
